FUTURE FARMERS OF AMERICA

This fall we went together with the two township 4-H clubs and gave a chicken Bar-B-Q to raise money. Starting in January the chapter was out again selling garden seeds to the people of the township. These seeds are sold to obtain chapter funds and to provide a way for members to earn F. F. A. During the last of March we had members representing us at the State F. F. A. Convention at Purdue University. This spring we are planning a trip on the day of the Mother-Daughter tea to some plant which is connected with agriculture.

The 1962 Manilla High School Baseball team compiled a very poor won and lost record winning 3 while losing 6. However they were not as bad as their record might indicate. They couldn't get good hitting and good pitching at the same time. In several close games the breaks just went to the other team and most of the time so did the victory. Mike Wright led the hitting with a average of 409.

CROSS COUNTRY

ROW ONE: Mike Wright, Joe Smith, Junior Kuhn. ROW TWO: Mr. Tom Potts, Doyle Chandler, Jim Nickolas, Bill Gross. ROW THREE: Steve Branam, Larry Swift, Bruce Willey, David Drake.

The 1962 Manilla High School cross country team had a very successful season especially considering the fact that this was only the third season for this sport at M. H. S.

The 1962 squad, built around seniors Mike Wright and Larry Swift and some outstanding performances by freshman Joe Smith, came through with some fine team efforts. They took part in a total of eight meets including the county and the sectional. They ran one dual meet losing it to Morton, two 3-way meets coming in second and third in those, two 4-way meets winning both of these and one 5-way meet coming in second. In the all important county meet the Owls come in second to strong Morton Memorial and Larry Swift was the individual winner and 1962 County Champ. With all but two of the team returning, cross-country certainly seems to have a very bright future at Manilla High School.

As we take leave of this bit of the road, and of another, our hearts reflect upon the companionship we have shared, the quiet hours of meditation and the knowledge gained as we passed through these hallowed halls of learning.

It is with sadness, and yet with a degree of joy that we bid farewell to you, MHS, and press on to the next milestone--and beyond.
